

Aero Club Member Meeting Minutes May 19, 2026

Attendees:

Steve Anderson
Colin Doyle
Gary Engler
Antwone Gills
Joe Mullen
Wade Nelson

Steve Reisdorf
Bryan Pearson
Len Pintok
Gjertine Snow
Sean Truax
Reuben Wagenius

Meeting called to order at 4:50 PM.

Hangar Business: Gary, Steve¹, and Reuben discuss the possible implementation of ACH payments for a hangar tenant who is habitually late paying his rent. Wade mentions he is working with Greg Bednark to upgrade the exterior lighting on the club hangar.

Fire Extinguishers: Len updates attendees on his fire extinguisher replacement project. He found that it's less costly to replace the extinguishers than to have the existing extinguishers inspected: we can buy new Amerex-branded extinguishers from Amazon for \$71/ea, versus having Summit Fire Protection inspect our existing units for \$78/ea. Attendees authorize the purchase of two new fire extinguishers. Lenny suggests we also get a small kitchen extinguisher for the meeting room.

Summer Social: Wade mentions he would like us to plan a social event for club members this summer.

Website Updates: Colin and Reuben are tasked with updating the club's website with the current usage rates, procedures, and updated aircraft photos.

Board Election: The following board members have been nominated to seek reelection in their current roles:

President:	Wade Nelson
Secretary:	Colin Doyle
Treasurer:	Reuben Wagenius
Operations Officer:	Bryan Pearson
Board Member:	Steve Anderson (<i>defined as "Board Member #3" in club bylaws</i>)

Wade opens nominations for additional candidates. Gary nominates Joe Mullen to seek election as a Board member (*defined as "Board Member #4" in club bylaws.*) Joe accepts the nomination.

Wade closes nominations.

Attendees unanimously elect the candidates named above.

¹Steve Anderson

Aircraft Maintenance: N3517V is nearly due for its next 100 hour service, which Bryan agrees to schedule. The maintenance will be performed and logged as an annual inspection.

Colin offers to laminate the airworthiness certificates and registration documents for both club airplanes, citing FAA order 8130.2J Appendix A (page A-4,) which encourages the process. The board approves, and Colin laminates the documents following the meeting. Steve¹ asks Reuben to order a replacement airworthiness certificate for N3517V, which appears damaged.

New Member: Antwone is a former member of the Aero Club who took a hiatus for military service. He is encouraged to fill out a membership application and resume his flight training with Gjertine in club airplanes; the initiation fee is deemed unnecessary due to his past membership.

Instructor Authorizations: The board authorizes Steve Reisdorf and Colin Doyle to provide flight instruction in club airplanes, pending they provide proof of insurance coverage.

Next Meeting: The next meeting will take place June 16th at 5:00 PM

Meeting adjourns at 5:21 PM.
